Regular Team: \$300

One 4-some in tournament

Individual Player: \$75

One player in tournament

Tournament History:

When it was clear that the Boys & Girls Club was going to move from an idea shared by Mayor Bob Minsky and Principal Chuck Hill to a reality, funds to operate that first year were a critical need. Using Chuck Hill's connections and local NFL football star Ryan McNeil, our first tournament at PGA involved over 25 NFL players who not only played in the tournament but sponsored a skills clinic for Club kids. Over the past fourteen years, the Golf Classic has traveled throughout the county from site to site, reflective of our 16 locations serving the entire St. Lucie County.

We have enjoyed the support of so many returning golfers each year and want to extend our deepest thanks. This tournament has raised over \$200,000 since its inception, providing vital resources for quality programs and services.

The Chuck Hill Golf Classic committee would like to thank everyone who has supported the Boys & Girls Clubs of St. Lucie County's Annual Golf Tournament in the past, and hopes that you will continue playing with us long into the future.
